

ABOUT US

Our Broad-Based Black Economic Empowerment verification and regulation expertise allows us to offer a holistic and integrated approach to B-BBEE.

Our commitment to outstanding and reliable verification processes provides our clients with B-BBEE implementation that aligns with their overall strategic objectives.

Our strategic approach is directed by a highly qualified and professional team with years of B-BBEE and legal compliance experience. Our team provides each client with individual attention – from customising documentation, to delivering specialised services and tools to meet their particular requirements.

We believe in building great partnerships with our clients in order for them to achieve strategic competitive advantage and business growth, underpinned by their B-BBEE compliance and implementation objectives.

We understand the importance of maintaining impartiality and managing potential conflicts of interest in the verification services we provide to our clients. Our effective verification process allows for an open and innovative approach to the challenges of transformation in South Africa. We believe B-BBEE implementation is not merely about legal compliance – it's an integrated approach that allows businesses to grow and prosper.

MISSION STATEMENT / CORE BUSINESS

Our mission is to adhere to our core values of honesty, integrity, impartiality and excellence. In doing this, we strive to deliver excellence in every aspect of our clients' B-BBEE verifications experience, ensuring fairness through the process as well as opportunities for growth and enhanced knowledge.

"Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit." -Aristotle

OUR TEAM

Our Core B-BBEE Team are highly qualified professionals with experience in all processes relating to B-BBEE verification in the South Africa business landscape. The team offers the client insights and services that no business can do without – whether it's a listed company or emerging growth company, they will cover every aspect of it.
